

Gifted Education Support Services in DASD: Update

Monday, January 23rd, 2017

Inviting all interested parents, caregivers, and educators of children in DASD and surrounding areas

Downingtown Area Gifted Education Network Monthly Meeting

6:30 to 8:30 pm, at the DASD Trestle Building

540 Trestle Place, Downingtown, PA 19335

In April 2015, Downingtown Area School District was audited by the Pennsylvania Department of Education in the area of gifted education support services. DASD received corrective actions as part of this audit. DASD administration has developed a 5 year and a 10 year plan in response to the audit by the PDE. There have already been several changes implemented as the result of the audit, and the PDE was recently back to visit DASD as part of the process. You may be wondering how these current changes and future changes will affect your child. At our monthly meeting, DASD administration will be presenting their plans and soliciting feedback from parents. Carrie Dickmann, Special Education Supervisor over Gifted Education will be the main presenter. A Question and Answer Session will follow the presentation, and you are encouraged to bring your questions. DAGEN is also excited to welcome Dr. Larry Mussoline, DASD Superintendent, as a special guest.

For any questions regarding this meeting, please email downingtowngifted@gmail.com. Childcare is not provided, but any children are welcome to attend with their parent if they can work or play quietly. **DAGEN events are open to anyone, regardless if you have a child receiving gifted support services in DASD or not. Please feel free to attend if you**
