***New Start Time for this Meeting**

DAGEN is excited to welcome Deb Kearney, DASD English Language Arts Curriculum Leader for K-12, and Lionville Middle School ELA teacher. Deb will give parents an overview of our ELA curriculum and answer any questions about enrichment for the identified gifted student. As parents, it helps to understand the ELA curriculum overall so we can understand how it is enriched for the high-ability student. There are many factors at work, from state standards to professional development of teachers. Grasping the bigger picture will only help you be a better partner on your child's GIEP team. Carrie Dickmann, Special Education Supervisor over gifted support services, will also be on hand to answer any questions.

For any questions regarding this meeting, please email downingtowntgifted@gmail.com. Childcare is not provided, but any children are welcome to attend with their parent if they can work or play quietly. **DAGEN events are open to anyone, regardless if your have a child receiving gifted support services in DASD or not. Please feel free to attend if you want to learn about gifted support services in DASD, and are curious if they would be applicable to your child.**
